

Kate Butler Randall, Climatec, LLC, Service Sales Specialist

Kate Butler Randall is a Service Sales Specialist who partners with property managers, building owners, and contractors to provide services for Fire Alarm, Security, and Energy Control systems. Kate has been working for Climatec, LLC in the Tucson office for five years ensuring that customers are safe, secure and comfortable in their buildings. She understands the constraints customers can be under when it comes to Fire Life Safety, Security, and Energy Management. She strives to maintain open and honest relationships with her customers and help resolve issues within their buildings. Kate has a Bachelor's of Arts from the University of Arizona in Education and her Master's Degree from Northern Arizona University in Professional Writing.
