

Nohemy Hite | *Founder and President*

Erik and Nohemy came to Tucson from Honduras (Soto Cano Air Force Base) in May 2000. We fell in love with the dry heat and decided to retire in this community. I am a mother of two; Roy David Hite, who has followed his father's step in the Air Force, and Samantha Nohemy Hite. I am currently a stay-at-home mom raising my daughter and work full time with the foundation. I am a member of the Saguaro Canyon Evangelical Church where Erik and Nohemy started attending in 2002.
