

Bruce Gordon, Managing Director |
Corporate Occupier & Investor Services, Cushman & Wakefield

Bruce Gordon is Managing Director in the Corporate Occupier & Investor Services (CIS) group focusing on growing the industrial property management portfolio. He has over 25 years of commercial real estate experience working predominately with institutional owners. The primary objective for Mr. Gordon and his team is to execute a specific management plan that reflects the investment goals of ownership.

Prior to joining C&W, Mr. Gordon was Director of Property Management for The Flynn Company. In his role, Mr. Gordon oversaw a property management team responsible for a portfolio of over 26 million sf of institutionally owned warehouse/distribution, office, and flex properties. Major clients included Industrial Income Trust, TA Associates Realty, Cobalt, USAA, High Street Equities, Cabot Properties, Great Point Investors, and Stag Industrial.
