

Education Class: **Active Shooter Program ... How to Respond**

An Active Shooter is an individual actively engaged in killing or attempting to kill people in a confined and populated area; in most cases, active shooters use firearm(s) and there is no pattern or method to their selection of victims. Active shooter situations are unpredictable and evolve quickly.

The topics to be covered are:

- The profile of an active shooter
- How to respond when an active shooter is in your vicinity
- How to respond when law enforcement arrives
- Training your staff and tenants for an active shooter situation
- Preparing for and managing an active shooter situation
- Recognizing potential workplace violence
- Managing the consequences of an active shoot situation
